From The Team Leader Dear friends,

/ Centre News

I hope you are doing well, and experiencing the love, peace and joy of the Lord each

and every day! Another year is drawing to a close, and as I reflect on 2023, I am filled with gratitude

at the powerful way the Lord has used our team across Southern Africa to proclaim the Good News of Jesus Christ. Our super team registered 17,493 decisions for Christ this year, including a record number of youths choosing Jesus (in over 7 years)!

With Christmas around the corner, we are once again humbled as we contemplate our Heavenly Father sending His only begotten Son to live amongst us in the flesh,

revealing the Father's heart to us, and paying the penalty for all our sins on the cross. According to theologian Wayne Grudem, "[The incarnation] is by far the most amazing miracle of the entire Bible - - far more amazing than the resurrection and more amazing even than the creation of the universe. The fact that the infinite, omnipotent, eternal Son

of God could become man and join himself to a human nature forever, so that infinite God became one person with finite man, will remain for eternity the most profound miracle and the most profound mystery in all the universe (Grudem, 563)." In closing, I would like to draw your attention to our founder, Michael Cassidy's, letter sent last week...we are indeed facing our biggest financial challenge yet, so please

remember us in your Christmas giving or with a monthly donation, as we cannot

continue our vital mission work without the help of faithful partners like you! Please also share this newsletter with a friend, and encourage them to subscribe. From myself and all at African Enterprise South Africa, we wish you a very blessed Christmas and a fantastic new year! **Theuns Pauw**

Umlazi Mission

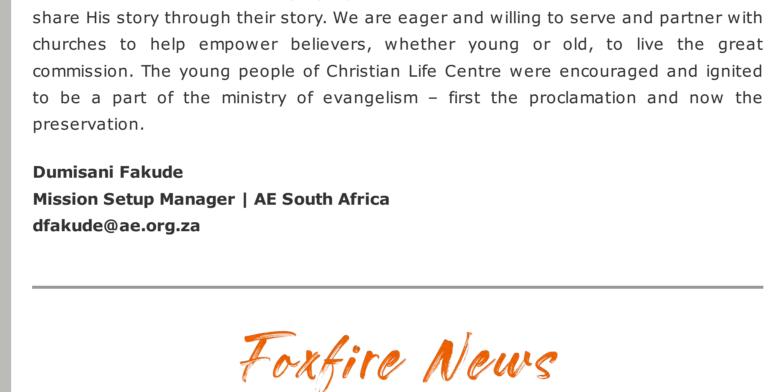

Our Mission and Foxfire teams partnered with a local church in Umlazi, Christian Life Centre, for a weekend mission at uMlazi K section to spread the Goodnews. The Mission kick-started on Friday evening with a youth service to encourage,

challenge and prepare young believers for Saturday afternoon's open-air event. Saturday's events began with door-to-door and one-on-one street evangelism, concluding in the afternoon with the open-air where young people ministered to their peers - witnessing about Jesus, planting a seed, and bringing renewed hope.

Young people below the age of 25 years gathered around at the sport field to listen to the Gospel being shared. A few gave their lives to Christ, claiming Him as their Lord and Savior.

The AE mission team is always prepared to minister wherever and whenever - to share His story through their story. We are eager and willing to serve and partner with

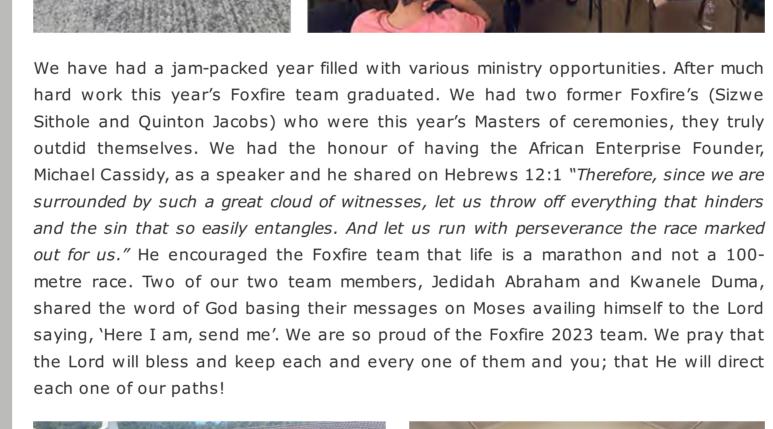

Greetings AE family,

your support that keeps us going.

On behalf of the Foxfire Department we would like to wish you a Merry Christmas and

a happy New Year. We are filled with so much gratitude as the year draws to an end. We serve a faithful God who goes before us and sustains us. To all who have

partnered with us whether it is in prayer or financially we truly appreciate it as it is

2024.

FIRST LMDP GROUP COMPLETE EISA Our first batch of students have completed the seven modules that comprise the Leadership Ministry Development Program and four of them went down to Pinetown on 16 November to complete the EISA (External Integrated Summative Assessment) which is an integral and critical component of the requirements needed prior to the awarding of an occupational qualification. The students were thoroughly prepared and will await their results which should be available in the new year. With the introduction of this new occupational certificate, society will benefit from the

project that has been implemented in Pietermaritzburg (Copesville). This project is designed to equip men with skills for shoe repair and thus empower them economically with a practical skill to earn a living. Generally social action programs in impoverished communities target females, with little to no empowerment programs for males. Our new project will provide us with an opportunity to minister to our men through Word and Deed.

and graduation celebrations once again.

We met as a staff at the beginning of the year and decided that it was important for us to have a vision of our own. Together we came up with; "For us to know Christ, and to make Him known through our service to our guests, interaction with each other and care of the property and equipment entrusted to us." Philippians 3: 10 With this in place, we were far more intentional about our Monday and Friday

I had the opportunity to connect with each staff member individually over the past few weeks, and reflect on the last year. This can be such a drudge, but instead, it was

incredibly encouraging. Despite not having money to buy and fix the things we

wanted to, we still managed to achieve so much by thinking outside the box. Many commented on how team work has improved amongst the Centre staff, and best of all,

a number of the staff shared how their faith has grown through our Monday and
